Otters and People

Map of Otter Attacks on People in Florida

UNDER CONSTRUCTION

The software to create an interactive digital Map of Otter Attacks on People in Florida has not been determined. Once this is determined and installed a map will appear containing pins showing all the reported locations where otter attacks on people in Florida have occurred.

At this time it is not known when the software will be determined and installed to allow entry of all the backlogged sighting data and the sighting reports received since launching this website.
