Otter Information Bibliographies on Six Otter Species 2025

PLEASE CAREFULLY READ THE FOLLOWING DIRECTIONS

The first five bibliographies listed below are electronically published by the International Union for the Conservation of Nature (IUCN) Otter Specialist Group (OSG).

(1) Should you wish to review one or more of the first four bibliographies go to the “View this bibliography at:” following the title of the bibliography. (2) If you wish to access the giant otter bibliography log into the following: IUCN OSG Bulletin.Index to Issues. A page will then open and you will see the choice entitled IUCN Otter Specialist Group Bulletin. Click on this choice and you will be taken to the Otter Specialist Group website. Once on this page you will see the words “Issues of the Bulletin”. Now, scroll further down and you will see the words “Special Issues”. In this listing will be the volume numbers for each of the five bibliographies. Click the volume number you want and that bibliography will open and be ready for your review.
